

## Yes, You Can Refinish Furniture at Our Expense

We want to prove to you how easily you can make an old piece of furniture new.

Here is what we give: A bottle of Johnson's Electric Solvo to instantly remove the old finish. A bottle of Johnson's Wood Dye to beautifully color the wood. A package of Johnson's Prepared Wax to impart that rich, dim lustre—to protect the finish against beet marks and scratches.

## Johnson's Wood Dye

Is not a mere stain—not simply a surface dressing. It is a real, deep-seated dye, that goes to the very heart of the wood—and stays there—fading a rich and permanent color.

Johnson's Wood Dye is made in 14 standard shades, every one of which you may have in the free samples.

Let them demonstrate what Johnson's Materials will do in your home.

## WAS BATTERED UP BY PENN. IN 1908; NOW HAS OPERATION

Philadelphia, Oct. 12.—Robert W. Maxwell, former star of Chicago and Swarthmore football teams, is in the German hospital following an operation for old injuries sustained at the hands of University of Pennsylvania players four years ago.

Maxwell, who is now coaching Swarthmore, defeated Pennsylvania in one of the annual games with that school. His kick won the game by a score of 4 to 0. The next year Maxwell was a marked man. Every play was directed at him and so fierce was the offense that in one of the scrimmages his nose was broken.

He has suffered ever since and physicians advised an operation to repair certain of the broken structures and relieve the pressure.
